ERDMANS GO TO CHICAGO IN FORD

Overland in a Ford automobile from Phoenix to Chicago, via Prescott and the Santa Fe trail, accompanied by his wife and three children, is the trip planned by Dick Erdmans, who set out on the long journey yesterday afternoon. A complete camping equipment is carried and the Erdmans expect the trip will occupy about three months.

The first stop was expected to be somewhere in the vicinity of Wickenburg. Dick has the route well mapped out and had arranged a pretty definite schedule. He carries enough repair parts to take care of any ordinary mishap to his car. In starting out yesterday his outfit resembled an old time prairie schooner. A big American flag was also in evidence, the children insisting that their camp each night should be graced with the emblem of their country.
